

All your school payments can be made in one place.... with your **myKindo** account.

Choose complete setup (if needed) to access your personalised accounts. You can view and make payments for all your school costs under **Fees and Donations** on your home page once your set up is complete.

In future, you will also be able to purchase optional items, such as sports payments, fundraisers, and event tickets.

This is our preferred method of payment, and we encourage all our families to sign up!

Shopping

There are TWO types of transactions you will be able to make using **myKindo** : Paying **personalised payment** requests for your students (Fees and donations) and purchasing **optional items**.

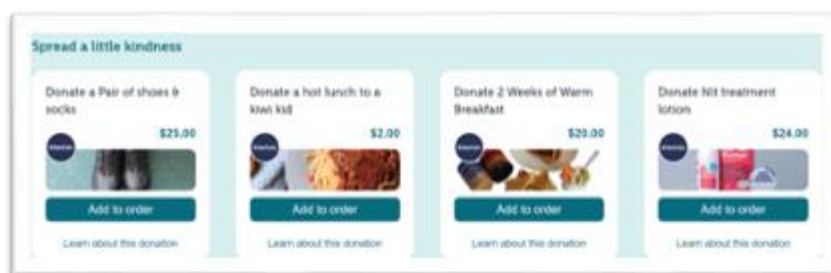

Personalised payment requests will appear on the home page under your student's name. Pay the full amount by clicking 'add to cart' next to the item or make a part payment, by changing the amount in the white boxes before clicking 'add to cart' (if available).

Shop items: click on these optional items and add them to your cart.

Once you have made all your purchases, click on the **Checkout** option to go to the payment section. You will have the opportunity to pay/part pay, any outstanding fees or donations and add them to your cart.

Once at the checkout, you can choose to help KidsCan spread a little kindness and support disadvantaged Kiwi kids.

Review your cart, remove any unwanted items and complete your transaction.

If you have **sufficient funds**, then simply click **complete order** at the checkout and you're done! If you have **insufficient funds**, you will be able to **top up** your account before completing your purchases.

Your order will automatically go through to the school, and you will receive an email receipt confirming your top up and/or purchase!

The **myKindo** App is also available to download for both android and iPhone. (Please create your account online first.)
