# STRATEGIC PRIORITIES

## Curriculum

- Provide a programme of excellent teaching and learning to ensure the best possible outcomes for all students.
- Ensure our curriculum is robust, responsive to the needs of our learners and sets up our students for success.
- We honour Te Tiriti, providing for students' individual and collective cultural needs.

## Pastoral Care

- Provide students with support to engage with school and the tools to reflect on, and improve, their wellbeing.
- Maintain a safe, welcoming and culturally responsive environment where students feel they matter and belong.
- Develop further ways to connect with our wider community to establish and strengthen positive relationships.

## Financial Sustainability

- Align financial decision-making with strategic priorities.
- Explore revenue opportunities (diversify and increase).
- Targeted expenditure monitoring.
- Build a culture of enhanced financial decision-making within our community at Westlake Boys High School.

## Infrastructure Maintenance and Development

- Ensure safety and compliance.
- Increase and enhance green spaces.
- Implement sustainable services and solutions.
- Deliver robust and cost effective solutions.
- Modernise the campus and technology.

## Sustainability

- Review our physical waste and recycling practices.
- Implement infrastructure that restricts consumption and provides sustainable energy.
- Create a culture that values sustainability as a core aspect of our organisation (staff and students).

## Ngā Ara Whakamua – Māori Success

- Ako – Academic Excellence and Pathways
- Tangata – Belonging, Identity and Taiao
- Reo – Revitalisation at school and home
